DETAILED ACTION

The present application has been taken up by a new examiner for prosecution and there are errors that need to be rectified or clarified.

The restriction/election of 12/19/2008 made by the previous examiner was incorrect because claims 1-10 were cancelled by applicant's amendment file 10/2/2008 and, as such, claims 2,4,6,8 are no longer pending.

The previous examiner did not consider the arguments filed 10/2/2008 with respect to claims 11-16.

In an attempt to correct or clarify the file history, the present examiner takes the following positions.

The present examiner has considered applicant's arguments filed 10/2/2008 with respect to claims 11-16 and considers them persuasive. As a result, claims 11-16 are allowable over the art of record.

Applicant has elected claims 2, 4, 6 and 8 in response to the previous examiners election/restriction of 12/19/2008.

The present examiner notes the limitations recited by these claims may or may not be supported by arguments of record, and that the claims are presently cancelled.

Art Unit: 3663

As a result, applicant is required to provide a response clarifying the intended status of claims 2, 4, 6 and 8 for further prosecution.

Any inquiry concerning this communication should be directed to Mark Hellner at telephone number 571 272 6981.
